The board of directors (the “**Board**”) of the Company wishes to inform the shareholders and potential investors of the Company that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2021 (the “**Management Accounts**”) and the management’s preliminary assessment of such Management Accounts, the Group is expected to record a decrease of around 85% to 94% in net loss for the six months ended 30 June 2021 as compared to a net loss of approximately HK\$92 million for the six months ended 30 June 2020.
